Cyber-Friends and the Helsinki Hotline

by *Liz Morgan-Lewis, Editor, Helsinki Hotline*

The chatline was out in force in Helsinki with over 60 members present from this fastest growing club that crosses Federations. Easily recognised sporting their Cyber-Friends badges, the chatliners quickly showed the amazing power of Soroptimist friendship and co-operation that has developed between them.

Reports of every session, tour and social event of the Convention were written up by chatliners and posted (usually around 2 am by the indefatigable Kate Moore and her band of helpers!) on the 'line' for cyber-friends following the Convention from their homes. These chatline reports formed the raw material for inclusion on the daily SI Helsinki Hotline web page and daily Helsinki Hotline newsletter.
